

This Saturday October 10 Show Choir has a community building day at the UWL Adventure Course!

This is required for all students in our Show Choir community so that we can work together as effectively as possible this year.

Meet at the UWL Ropes Course at **9AM.** Wear sunscreen and dress for the weather (layers!), we will be outside all day. We will be **done by 4pm.**

Directions to the UWL Ropes Course: Turn off La Crosse St. onto East Ave. (Away from campus). At the T-intersection (in front of the dog park) turn left to the parking lot. Park along the tree line as close to the baseball field as possible. The Ropes Course is located near the tree line behind the baseball field.

Bring a lunch, a water bottle and a snack for yourself. If a few people bring a snack to share that would also be appreciated.

See you Saturday at UWL!
